Happel & Associates donates \$9,200 to Credit Union of Colorado Foundation

Golden-based commercial builder Happel & Associates' recent golf tournament generated a donation of \$9,200 to the Credit Union of Colorado Foundation. The foundation focuses on human services and education.

"We're grateful to Happel & Associates for their financial assistance," said the foundation's chairperson, Doug Schneider. "They've been steadfast in generously supporting the foundation since it began four years ago."

He said, "Happel & Associates has built a reputation for its commitment to building 'green,' using construction methods that help sustain our environment. What many people don't know, however, is the company's demonstrated commitment to building something else – a better community."

About the Credit Union of Colorado Foundation

The Credit Union of Colorado Foundation was founded in 2012 to build upon Credit Union of Colorado's long history of philanthropic commitment to its members and the communities where they reside. The foundation primarily focuses on two areas of interest: human services and education.
