*Ten \$5,000 per year scholarships available; deadline to apply is April 14*

Credit Union of Colorado Foundation is seeking students interested in applying for its college scholarship program. The foundation will provide a \$5,000 annual scholarship to 10 students from around the state.

Eligibility for a scholarship is extended to students who are Colorado residents enrolled in, or scheduled to enter, an accredited college or university as an undergraduate taking at least 12 credit hours. Scholarship award criteria include maintaining a minimum 3.5 grade-point average on a 4.0 scale in high school or during the previous 12 months as a college undergraduate. Applicants should be demonstrably active in providing community service at school or in the community.

Scholarship renewals are not automatic; the student must reapply each year. More information and the scholarship application instructions are available at [cuofcfoundation.org](http://cuofcfoundation.org).
