Ten \$5,000 per year scholarships available for the 2018-2019 school year; deadline to apply is April 16, 2018

Students from around the state can apply for a Credit Union of Colorado Foundation college scholarship beginning March 15 through April 16. The foundation will provide a \$5,000 annual scholarship to 10 students for a total award of \$50,000 in scholarships for the 2018-2019 school year.

Eligibility for a scholarship is extended to students who are Colorado residents enrolled in, or scheduled to enter, an accredited college or university as an undergraduate taking at least 12 credit hours. Applicants must maintain a minimum 3.5 grade-point average on a 4.0 scale in high school or during the previous 12 months as a college undergraduate. Students should also demonstrate an active commitment to community service at their school or in their local community.

Scholarship renewals are not automatic; the student must reapply each year. More information and the scholarship application instructions are available at:
